

PETROZAVODSK STATE  
UNIVERSITY

UNIVERSITY OF HELSINKI

**Dear colleagues!**

We are glad to invite you to participate in the Annual International Workshop on Advances in Methods of Information and Communication Technology (AMICT'2013), 14.-18.10.2013, Petrozavodsk, Republic of Karelia, Russia.

This workshop is a result of the long-term cooperation between the computer science departments of the universities of Helsinki and Petrozavodsk (UH and PetrSU). Starting from 1994, the workshop had had the name "Finnish Data Processing week (FDPW) at the University of Petrozavodsk" and in the year 2006, FDPW has been renamed to AMICT.

Hence this year we celebrate 20 year of collaboration within FDPW-AMICT framework.

Programs of the previous seminars can be found at

Due to we 20 year anniversary of the workshop we arrange a special section devoted to the history of AMICT and/or collaboration. Traditionally, we also invite talks in various ICT areas that include, but are not restricted to:

- Information technology,
- Network communication,
- Information systems,
- Theoretical and applied computer science,
- Algorithms and Modeling.

Talks may be devoted to presentations of specific systems, experiments, theoretical research, as well as more general, philosophical/educational/methodological presentations. The workshop will include related panel discussions for these topics if there are enough accepted talks.

Based on AMICT'2013 presentations the next volume of the Proceedings will be published electronically. Additional option for proceedings publication are under discussion at the moment and will be announced in net CFP.

Workshop and accommodations are in the Petrozavodsk city. The organizing committee can help and advise in booking hotels if needed.

The registration fee is 2500 rub for a participant whose talk represents a Russian organization

and 125 euro for other participants. The fee includes preparation of invitations to Russia, coffee breaks, ceremonial banquet, local transport (by bus), renting rooms and equipment, registration in Russia, administration, and organizational expenses. Payments must be in rubles.

To submit a talk please send following information (to Olga Bogoyavlenskaya, [olbgvl@cs.karelia.ru](mailto:olbgvl@cs.karelia.ru)).

1. Names of a participant, her/his position, and degree.
2. Title of your talk and info about co-authors (names, positions, degrees).
3. Abstract (150 words or more) of your talk.

Based on abstracts, the workshop program committee will make decisions on talk acceptance for presenting on the workshop.
